Papy Kids World

-Where every child writes their own story-

Papillon Hotels' dedicated children's concept, Papy Kids Club, brings together fun, learning, and discovery in one joyful world. Designed for different age groups with creative workshops, themed activities, and safe play areas, it encourages imagination, confidence, and social development. The Papy Kids Loyalty program offers a story-based journey that grows with each stay - as children progress through the Cocoon, Wiggle, and Flutter stages, they earn badges, surprises, and exclusive privileges that make every visit more meaningful.

The Papy Kids Sports Academy introduces children to teamwork, discipline, and active fun under professional guidance, while the summer Papy Kids Football Tournament creates an exciting and friendly competition. The vibrant Papy Kids Carnaval fills the holiday with music, dance, and themed celebrations, and the Young Stars area offers teens and pre-teens a lively space for music, digital games, and social interaction. At Papillon Hotels, Papy Kids Club is a world where every child writes their own story – and every return begins with a warm "Welcome Back."
